# PLAYING THE GAME

## THE OBJECT OF THE GAME IS TO PREDICT WHERE THE WHEEL WILL STOP.

Big Six or The Money Wheel is a classic wheel of fortune game using a large vertical wheel with a table set up in front for betting.

Each segment on the wheel is represented by a betting spot on the table. Segments on the wheel are labeled either 1, 2, 5, 10, 20 or 45 (Designated by a logo or Joker).

## HOW TO PLAY

Players place their bets on the spot that matches the segment of the wheel they want to bet. After everyone places their bets, the wheel is spun by the dealer, once the wheel comes to a stop a small pointer will indicate which segment and corresponding bet on the table wins.
