# PLAYING THE GAME

Face Up Pai Gow Poker™ features head-to-head play against the dealer and offers the optional Fortune Bonus<sup>SM</sup> and Ace-High wagers. As in standard Pai Gow, each player and dealer receive seven-cards, but in Face Up Pai Gow Poker the dealer's cards are dealt face-up.

Face Up Pai Gow Poker is a commission-free game. You do not pay a 5% commission when you beat the dealer; however, when the dealer plays Ace-High, you automatically push.

## GETTING STARTED

To begin each round, make a standard Pai Gow wager. You may also make the Fortune Bonus and Ace-High wagers.

## FORTUNE BONUS

The Fortune Bonus bet wins if your best possible five-card hand matches one of the payouts from the offered payable. If you wager at least \$5 on the Fortune Bonus, the dealer will place an “envy” button next to your bet. This qualifies you for an envy bonus payout. See payable for odds.

## ENVY BONUS

The dealer pays any envy bonuses at the end of the round. If at least one player receives a hand that qualifies for Envy Bonus payouts, all players with envy buttons win. You can win multiple Envy Bonuses in a round, but you CANNOT win an Envy Bonus for your own hand or the dealer's hand. See payable for payouts.

## ACE HIGH

This bet wins if the dealer is forced to play an Ace-High Pai Gow. See layout for odds.
