## POKER PROGRESSIVE

Poker progressive jackpot wager is an optional side wager offered on specific Poker Table Games. All house rules apply to the specific game type. At the beginning of each round of play, the player must place the base poker wager and may optionally place the progressive wager.

## THREE CARD POKER

The progressive jackpot wager considers the best hand possible from the player's three cards and two designated progressive jackpot cards.

## ULTIMATE TEXAS HOLD 'EM

The progressive jackpot wager considers the best hand possible from the players 2 cards and the first 3 community cards.

## MISSISSIPPI STUD

The progressive jackpots wager considers the best hand possible from the players 2 cards and 3 community cards.

## LET IT RIDE

The progressive jackpot wager considers the best hand possible from the players 3 cards and the 2 community cards.

## PAI GOW POKER

The progressive wager considers the rank of the player's entire seven-card hand regardless of how the hand is set or the outcome of the main game against the dealer.
