# PLAYING THE GAME

Roulette is easy and fun to play.

## HOW IT WORKS

The roulette wheel has 38 different numbered slots that correspond to the 38 different numbers on the table layout.

The dealer spins a ball clockwise around the rim of the wheel as the wheel itself is spinning in the opposite direction. The ball will come to rest in one of the numbered slots and the dealer will mark that number with a plastic marker on the table. All bets on the number, and associated with the number, win!

The table below shows the even money bets and the two to one bets allowed and their payouts:

Bet Payout	
Odd	1-1
Even	1-1
Red	1-1
Black	1-1
1 - 18	1-1
19 - 36	1-1
Dozens	2-1
Columns	2-1

Payouts for Bets on the Numbers	
Straight up (One Number)	35-1
Split (Two Numbers)	17-1
Street (Three Numbers)	11-1
Corner (Four Numbers)	8-1
Line (Six Numbers)	5-1
Top Line (Five Numbers)	6-1

\*This is for a "00" zero wheel

**PLAYERS' EDGE** Visit Player's Club for complete details and official rules. Management reserves the right to modify or refuse offers. Must be 21 years or older. Persons who have been trespassed or banned by the Seminole Tribe of Florida or those who have opted into the self-exclusion program are not eligible.
